Become an agent

Many students enrol through our agents abroad. Agents provide an important role in recruiting and counselling students, ensuring that the students are fully prepared to get the most from their Russian course and stay in Russia.

Our agent network includes many educational and travel agencies, as well as individual language teachers and private schools.

If you are interested in becoming our agent please email us directly or use the form below. Alternatively call Anastasia Shutko (the manager) on +7 812 327 0373.

We look forward to working with you!
